Maximize Bets with the Industry's Highest Limits

VIP Preferred®: The Industry's Highest Limits

- Revolving 7-day limits up to \$50,000. Store up to four checking accounts
- All check transactions are fully guaranteed by Pavilion Payments
- Available in over 400 North American casinos through VIP LightSpeed®

Choice4™: Deferred Settlement

- Extend eCheck settlement to 7, 14, 21, or 28 days, giving patrons more options and increasing their capacity to play
- Funds are drawn from the guest's account on the agreed date where regulations permit
- New fee enablement allows operators to charge fees for all deferred settlement options*

Payroll Check Guarantee

- Patrons can cash payroll, tax return, or U.S. government checks at participating locations
- Every approved transaction is 100% guaranteed by Pavilion Payments

**Consult legal and regulatory advisors before implementing fee structures. Same-day and Choice4™ fees must be identical.*
